Maui Vico Magistretti

Its elegant lines, sober colours and practical usage make Maui an extremely versatile chair, capable of satisfying the widest demands of the business and residential market. Maui chairs form a family rich in chromatic and formal variations, able to meet specific needs in communal areas, such as offices, workshops, waiting rooms, bars and restaurants, lecture and meeting halls, or in home environments, such as the dining room, the children' bedrooms and the study. The unitised polypropylene seat/back is attached to a chromed steel structure. Thanks to its design, the Maui chair can be stacked up to seven or five high. It can also be coupled with other chairs of the same type in endless rows by means of a simple rear hook.

Available versions include: supplied with and without armrests in a matching colour with the seat and as a chair with folding tablet arm in black. The family of Maui chairs is complete with the addition of the self-extinguishing version. Frequently requested for businesses, this item is finally able to satisfy the highest demands of even the most specialized contract.

Another member of the Maui family is the version of the small armchair on casters available with pump and with or without arms. The polypropylene seat is fixed onto a chromed steel structure. The castors are fixed to a base of chromed steel which branches out into five legs. Maui on wheels is the ideal solution for the informal office and the home office, thanks also to its lightness and to the comfort of its seat.

Maui Vico Magistretti

The Maui table was designed to stand alone or with its companions. It is available in five versions (round, square, oval and in two rectangular dimensions) to meet the most diverse functions required by communal areas (tables for bars and restaurants) and the demands of daily life. The three colours of the wooden-edged table top make the Maui table an ideal complement even for the home, in the dining room, the kitchen, the home office or the study.
